

Proposal of Usage Form

Please answer the following questions regarding how you intend to use the Novas Debug System. If needed, please attach extra sheet(s) as necessary.

1. Are the products going to be used in the classroom or for research (laboratory)? Please explain in detail.

2. How are the products to be used in the classroom or Laboratory?

3. If the products are to be used for research, what specific projects will they be used for?

4. What type of applications will the products be used for?

5. How many graduate students, undergraduate students, or faculty members do you expect to use the products?

NOTE: A University Program Order cannot be accepted and/or processed until we have received the following:

1. An Official Purchase Order made out to:
Novas Software Inc., 2025 Gateway Place, Suite 400, San Jose, CA 95110.
Attention: Ann Wong, University Program Manager.
2. A completed University Program Request form.
3. A completed Proposal of Usage form (this form).
4. A signed University Software License Agreement.

Please complete the required forms above and fax to:
Ann Wong, University Program Manager, at Fax Number 1-408-467-7889

We'd appreciate hearing your suggestions, comments or questions about our University Program. Please feel free to contact Ann Wong at 1-408-467-7888 x 7861 or ann@novas.com.
